

COMPANY

## PROFILE

Aadab International established in 1970, is one of the leading manufacturers & exporters of premium quality Equestrian, Farrier & Equine Dental Instruments. The company is located in the city of Sialkot Pakistan and committed to supply quality standard products at very comfortable prices.

The company is being run by a number of staff, each with experience in the specific fields working within the equestrian industry for many years. They are well trained and combine their skills to provide complete customer service and satisfaction. We search the world to bring quality products to you – our horse riding accessories, boots, jodhpurs, breeches, are all of the highest quality but at keen prices.

At Aadab International you can always expect great deals! From our low prices and great customer service to our fast shipping. The quality of our products is guaranteed and every item manufactured is carefully examined and tested before leaving factory premises. We use top quality materials and highly skilled craftsmen in the manufacturing of our products. We aim to provide you with horse riding products and equipments that promotes a safe and comfortable ride.

We are in a position to supply Horse and Rider products with quality standard. The prices of our products are moderate and highly competitive. We offer both F.O.B. and C.I.F. by Airfreight / Sea freight prices. Packaging is our specialty and every possible care is taken in packing all goods.

Our company is certified ISO 9001. This catalogue is as a guide for our valued customers and partners to find the product range offered by Medco Enterprises. We hope it serves the cause and proves to be a helpful reference tool for ordering.

If you need more details on any of our products, please contact us or see our website "[www.snaavet.com](http://www.snaavet.com)" for more information.
