COMPANY PROFILE

Background:

"Aadab International" is owned by the Mehr Family, who has been in the line of business since 1942. We have extensive experience, and have gained a good repute in the field of export. Now we, the third generation, are successfully running our business.

Products and Services:

"Aadab International" was established especially to deal in the surgical line. We manufacture a wide range of Surgical, Dental, Orthopedic, Hollowware and Veterinary instruments. We also offer our services to produce any specific instruments for our valued customers.

Dedication to Quality:

Our production units employ the highest quality of raw materials from Pakistan, Japan, Germany and France. Aadab is certified by ISO 9001:2000, CE Marking and cGMP (USA). These guarantee that our instruments are safe and fit for their intended use.
